SolomonEdwardsGroup Announces New 2011 Accounting & Financial Reporting Guide

(Philadelphia, P.A. – January 19, 2011) [SolomonEdwardsGroup, LLC](#) (SEG), a national CFO services firm, is pleased to announce the release of their 2011 Accounting & Financial Reporting Guide. This timely guide provides insight into the most important developments in the world of accounting and financial reporting.

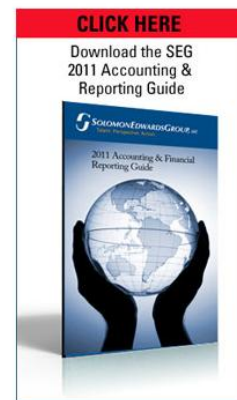

SolomonEdwardsGroup 2011 Accounting & Financial Reporting Guide includes: Updates on the Hottest Accounting and Reporting Topics, Progress on the IFRS Work Plan, Insight into the PCAOB’s Focus on Dodd-Frank and Post-Economic Crisis Reforms & Regulation Progress on the IFRS Work Plan.

SEG is pleased to provide you with this helpful guide to the key issues shaping the current and future landscape of our profession. As part of our guide we also provide you with a recap of the AICPA’s National Conference on Current SEC & PCAOB Developments. The topics discussed at this annual conference generally serve to set the agenda for our profession for the upcoming year. SEG hopes this publication will provide you with some helpful insight and we look forward to serving you in the future.

About SolomonEdwardsGroup, LLC

SolomonEdwardsGroup, LLC is a national CFO services firm solving the shifting needs of the CFO and the accounting and finance profession. We deliver talent, perspective, and action in the critical areas of accounting operations, business performance, risk and regulations, and resource management. We specialize in providing our clients with the talent and know-how to execute special projects in accounting and finance. Because we provide both talent recruiting and advisory services, SEG can customize a solution for each client we serve. If you need an expert consultation, a large team to execute a project initiative or an individual to fill a role on an interim or permanent basis, we can help.

Our SEC, US GAAP & IFRS Advisory professionals work with our clients to meet their compliance requirements and business objectives. Our SEC, US GAAP & IFRS Advisory team is serving a global client base with regulatory compliance, financial reporting and consultations on technical accounting matters. SolomonEdwardsGroup's consultants are able to gain an understanding of your unique situation and apply their regulatory research, technical, and business expertise to ensure that positions and related disclosures reflect your business.

Founded in Philadelphia in 1999, we operate seven offices in major cities throughout the country and maintain a global network of partners to serve multinational clients. SEG is not a certified public accounting firm.
