FOR IMMEDIATE RELEASE

**SolomonEdwardsGroup Ranks No. 2,283 on the 2007 Inc. 5,000
with Three-Year Sales Growth of 155.8%**

PHILADELPHIA, August 23, 2007 – Inc. today ranked SolomonEdwardsGroup (SEG) No. 2,283 on its first-ever Inc. 5,000 list of the fastest-growing private companies in the country. The Inc. 5,000, an extension of *Inc.* magazine’s annual Inc. 500 list, catches many businesses that are too big to grow at the pace required to make the Inc. 500, as well as a host of smaller firms. As a whole, these companies represent the backbone of the U.S. economy.

“The Inc. 5,000 provides the most comprehensive look ever at the most important part of the economy – the entrepreneurial part,” said Inc. 5,000 Project Manager Jim Melloan. “The expansion of the list has allowed us to tell the stories of larger companies, older companies, and a wealth of companies in industries that are underreported in the business media.

SEG has experienced tremendous growth since the firm’s inception in 1999. Three-year growth measured at 155.8 percent with 2006 revenues at \$36.4 million.

The 2007 Inc. 5,000, as revealed online at www.inc.com, reported median revenue of \$9.4 million and median three-year growth of 140 percent. Complete information on this year’s Inc. 5,000, can be found at www.inc.com/inc5000. The list features a profile for each company. In addition, the list is searchable according to numerous criteria, including industry, city, state, region, and year founded.

SolomonEdwardsGroup Ranks on Inc. 5,000 List/add one

The 2007 Inc. 5000 list measures revenue growth from 2003 through 2006. To qualify, companies had to be U.S.-based and privately held, independent – not subsidiaries or divisions of other companies – as of December 31, 2006, and have had at least \$200,000 in revenue in 2003, and \$2 million in 2006.
