

Government Contract Consulting Support Services

SolomonEdwardsGroup (SEG) understands the challenges of managing your current operations, maintaining profitability, while at the same time marketing your company for future growth in the complex Government Contracting environment. Recent changes in Government reporting and compliance requirements can produce additional challenges for the small and mid-market Government Contractor with minimal personnel resources. With the increasing calls for transparency within the Government procurement process and reduced Federal budgets looming, proposed changes will certainly result in Government Contractors facing even more oversight and reporting requirements. At SEG our unique blend of professionals and executives, Government contracting and oversight experience and an in-depth knowledge of accounting software can address your needs proactively so you can concentrate on growing your business.

SEG's cost effective solutions include:

- Federal Acquisition Regulation (FAR) Part 31 Contract Cost Principal Compliance
- Defense Contract Audit Agency (DCAA) and Defense Contract Management Agency (DCMA) Audit Interface
- Indirect Rate Structure
- Direct and Indirect Cost Evaluation
- Price Proposal Preparation
- Incurred Cost Proposal Submissions
- Cost Accounting Standards (CAS) Disclosure Statement (DS) – Original and Revised and Cost Impact Statements
- Revenue Recognition and Unbilled Receivables
- Policy and Procedure Implementation Technical Accounting Services
- Resource Management
- Deltek Costpoint® and Deltek GCS Premier® Support
